- Payment method: Credit card
- Payment due date: Each product differs, so please check the product introduction page.
Payment by credit card is subject to the credit card company's terms and conditions.
- Charges other than the product price: Consumption tax, internet connection fee and other communication line charges may apply.
- Delivery date: Event date. Other products vary by product, so please check the product introduction page.
- Cancellations and changes:

1.Travel products (accommodation and transportation are included in the product)

Subject to the terms and conditions stated in [the travel conditions](#).

*However, a cancellation policy may be set for each travel product, and it will take precedence only if the content of the cancellation policy is not more disadvantageous to the traveler than the terms and conditions stated in [the travel conditions](#).

2.Activity and experience products (accommodation and transportation are not included in the product)

These are set for each activity and experience product. Please check the product reservation page.
